

Što je to?

Zagonetke & bojanjka

za djecu

Malen sam, nisam velik,
a ni previše snažan,
ali svoju kuću nosim
i pravim se važan.

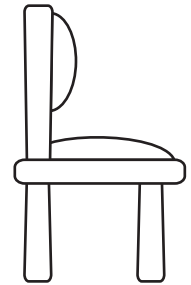

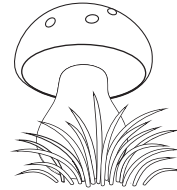

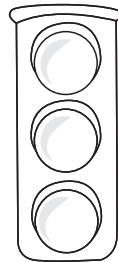

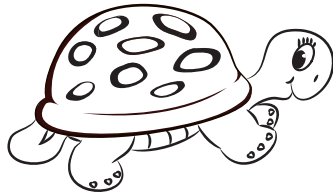

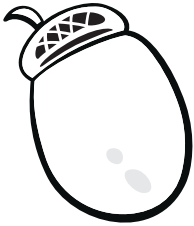

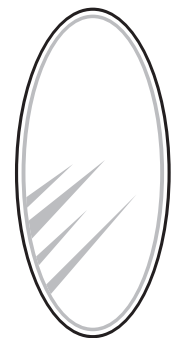

1.

Ja nemam dva oka, nego tri,
al' ni jedno od njih ne vidi.

No moje oči mnogo znače
za sve pješake i vozače.

2.

Po leđima su crne,
po trbuhu su bijele,
u proljeće nam dođu,
u jesen na jug sele.

3.

Malo žuto blago
skriveno u bijeloj kući,
ni prozora ni vrata,
nitko ne može ući.

4.

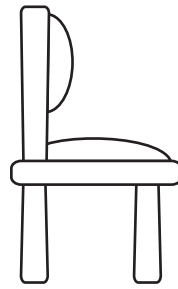

Imam kapu zelenkastu,
i živim na svakom hrastu.
Za trenutak ili dva
pogodite tko sam ja.

5.

Pliva ko riba u vodi,
sporo po kopnu hodi,
na četiri noge gazi,
a iz kuće ne izlazi.

6.

Na četiri noge stoji
ne miče se, nit ne gleda,
ali kome odmor treba
uvijek na njeg' rado sjeda.

7.

U šumici, na nožici,
stoji jedan šešir mali.
Pod šeširom nema glave,
a i cipela mu fali.

8.

Dvije ručice, dvije nožice,
stoje mirno, ne miču se.
Gurni prstiće kroz ručice
i režu, režu nožice.

9.

Kuću nosim na leđima,
i s njom putujem danima.
Spor sam i polako idem,
ali ipak svugdje stignem.

10.

Ako ti padnem ili me baciš,
ja ću se sigurno razbiti.
Ali ako mi se nasmiješiš,
i ja ću se tebi nasmiješiti.

11.

Velik sam kao kuća,
a malog se miša bojim.
Nos mi pada sve do poda,
i kad sjedim i kad stojim.

12.

Na vrh krova sjedi,
sve s visokog gleda,
stalno se iz njega dimi,
a lula mu ne treba.

13.

Duge uši, kratak rep,
krzno mi je meko,
volim mrkvu i salatu,
a zovem se...

14.

Nemam krzno, imam igle
ali ne znam šiti.
Ime mi je kratko,
tko će ga pogoditi?

15.

Crna sam kao noć,
i uvijek te pratim.
Po mraku se skrivam,
po danu se vratim.

16.

Malen sam i volim sir,
a bježim od mačke.
Krzno mi je kao pliš...
Pogodi me! Ja sam ...

17.

Ja sam slavna šumska kuma,
brzih nogu, oštra uma.
Kabanica je moja riđa,
i svakom se lovcu sviđa.

18.

U dom unosim sunce,
ali ne popravljam vid,
a ipak, kad me postaviš,
možeš gledati kroz zid.

19.

U prirodi se svakog bojim,
i u strahu od svih bježim,
a u gradu zbog pješaka,
hrabro nasred ceste ležim.

20.

U Splitu je veliko,
a malo je u Osijeku,
u Zagrebu ga nema,
pa ti riješi zagonetku!

21.

Moraš me pažljivo držati,
ako me želiš sačuvati.
A kad me želiš koristiti,
tada me moraš razbiti.

22.

Od zemlje do neba, prepun boja,
izraste most nakon kiše,
i stoji tako neko vrijeme.
Dođe Sunce - i nema ga više.

23.

Nemam krila, ali letim,
ne vidiš me, al' sam jak.
Nemam ruku niti nogu,
a ipak dižem sve u zrak.

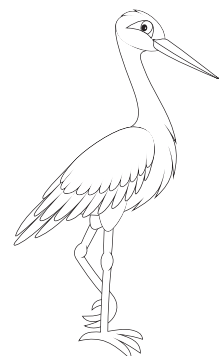

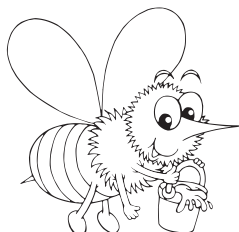

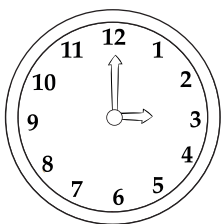

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

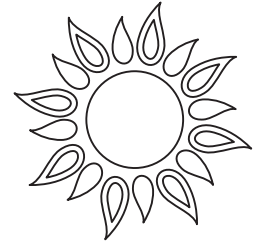

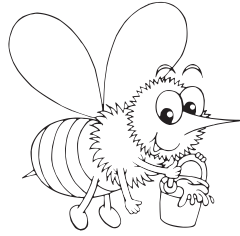

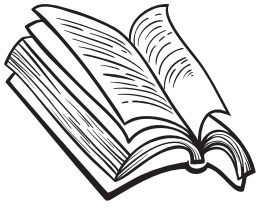

24.

Kao najlakša ptica letim,
a težak sam kao slon,
pijem uvijek samo benzin
i zovem se ...

25.

Velika, sjajna, žuta kugla,
visi na nebu, ne boji se pada.
Svakoga dana isto se kreće,
od istoka ide sve do zapada.

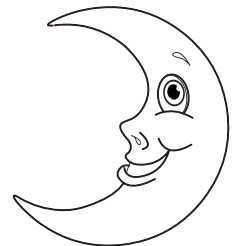

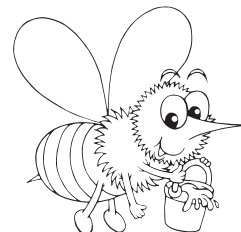

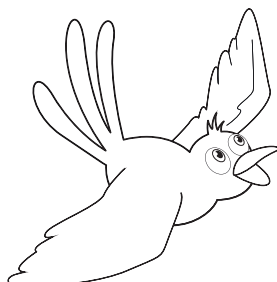

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

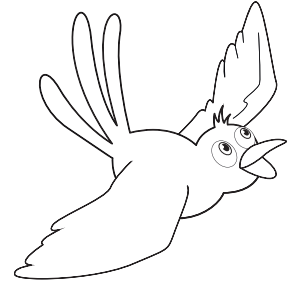

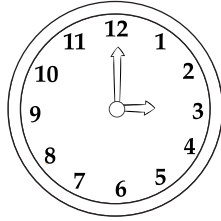

26.

Bijeli kao snijeg, lagan kao pero,
a u sebi puno vode nosim.
Zajedno s braćom letim po nebu
i stalno suncu prkosim.

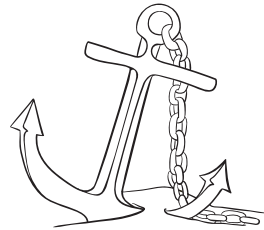

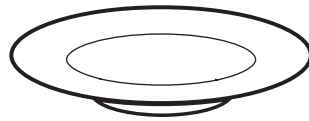

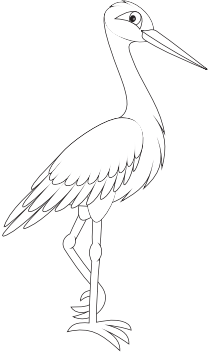

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

27.

Daj mi hrane, živjet ću,
daj mi vode, umrijet ću.
Vruća sam i opasna,
znaš li možda tko sam ja?

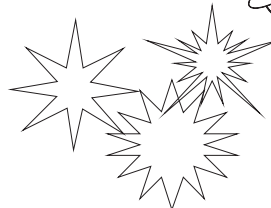

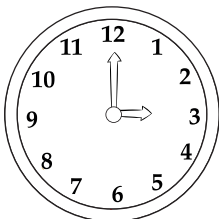

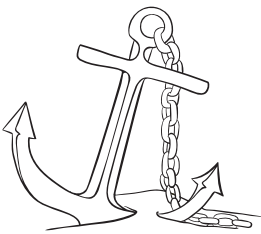

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

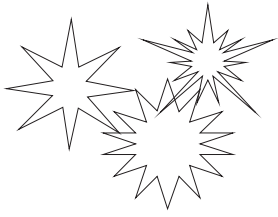

28.

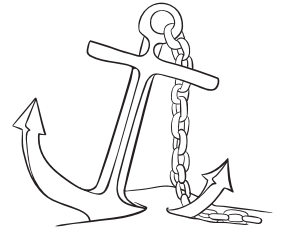

Visoko na stupu živi čudna ptica,
dugačkoga kljuna točno posred lica.
Na visokim se nogama često barom šulja,
i čeka da žaba izroni iz mulja.

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

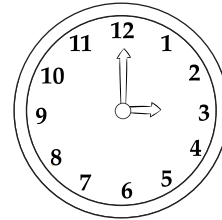

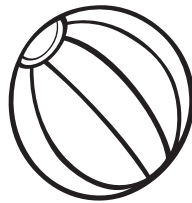

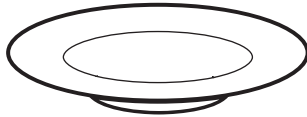

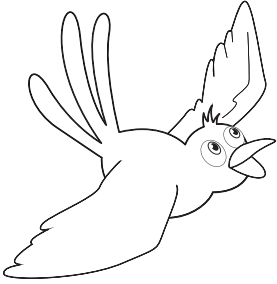

29.

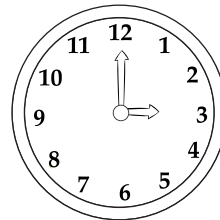

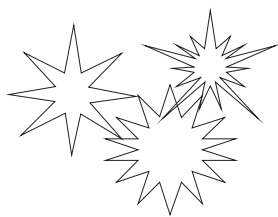

Kitnjasti me rep u krošnji skriva,
najviše volim šumski mir.

Cijelog ljeta zimnicu spremam,
po šumi tražim lješnjake i žir.

30.

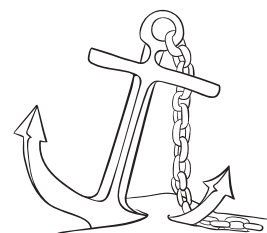

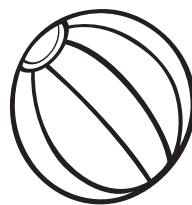

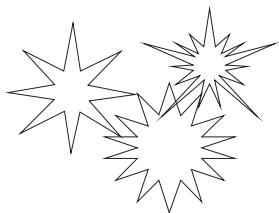

Koriste ga svakodnevno,
plitak, dubok, velik, mali,

ali nekome tko je gladan,
nikad ne bi prazan dali.

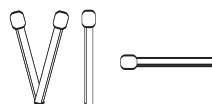

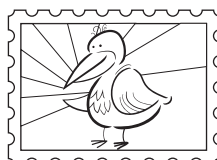

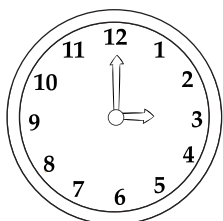

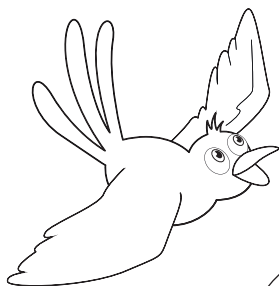

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

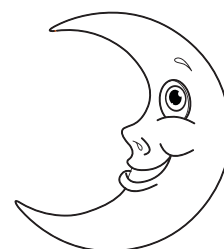

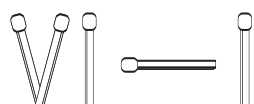

31.

Kad ti je potrebno,
baciš ga od sebe,
a kad ga ne trebaš,
mora biti blizu tebe.

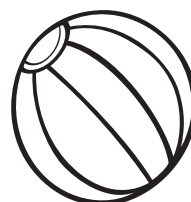

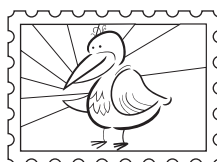

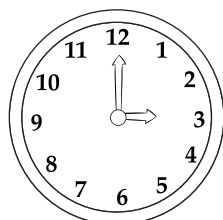

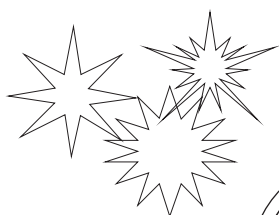

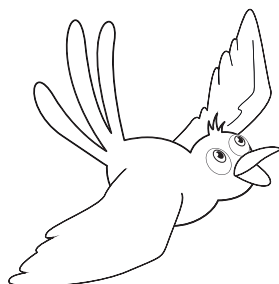

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

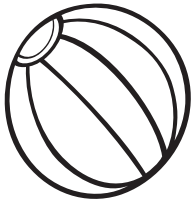

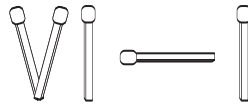

32.

Niti jurim, niti žurim,
uvijek sporo idem,
Ali točno na vrijeme,
uvijek na cilj stignem.

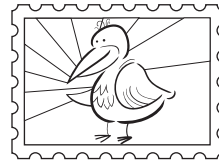

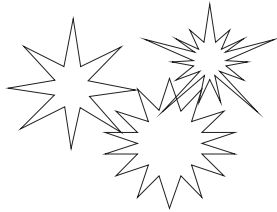

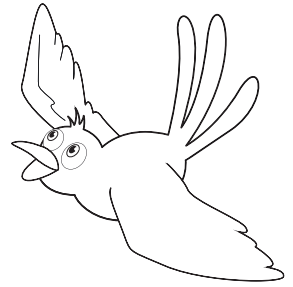

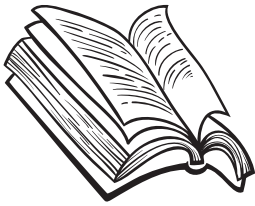

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

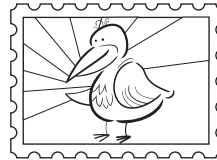

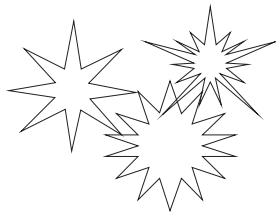

33.

Nekad mlad, nekad star,
noću ja po nebu šetam,
ali onda kad sam pun,
nekima za san ja smetam.

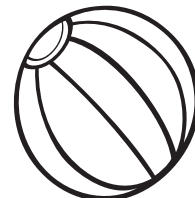

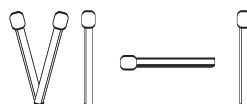

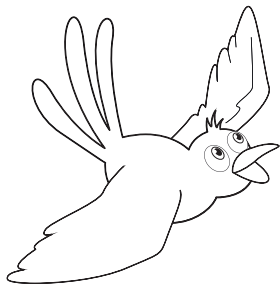

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

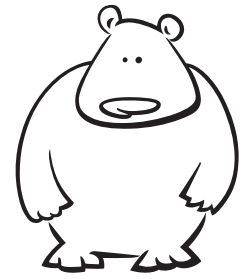

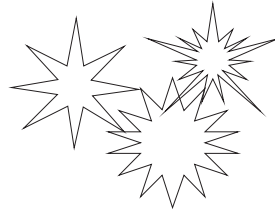

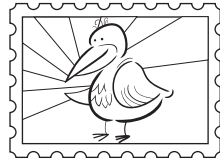

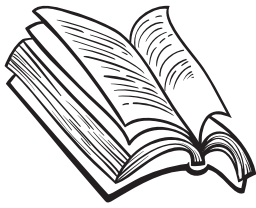

34.

Čitaj me pravo i crna sam ptica,
moj žuti kljun poznaje svatko,
čitaj me straga i postajem piće,
kiselo, gorko, gusto ili slatko.

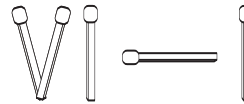

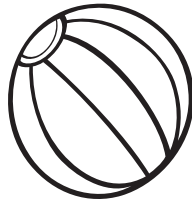

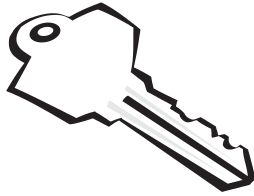

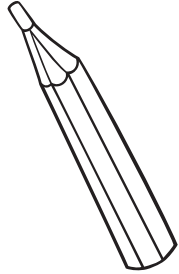

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

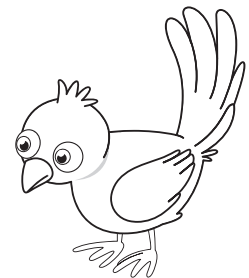

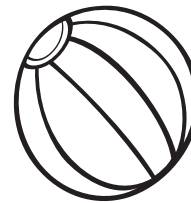

35.

Na noćnom nebu sve naokolo,
tisuću malih svjetala svijetli.
Ali kad oblaci prekriju nebo
niti jedno tada ne možeš vidjeti.

36.

Drvce maleno i tanko
crvenu kapu ima na glavi,
pažljiv s njime budi,
jer ono vatru lako pali.

37.

Komadić metala štiti nam kuću,
nijedan lopov ne može ući,
ali pazi da ne izgubiš svojeg,
jer ni ti tada ne možeš kući.

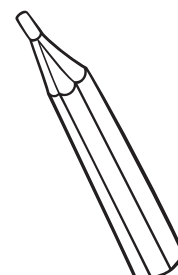

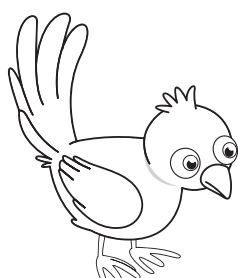

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

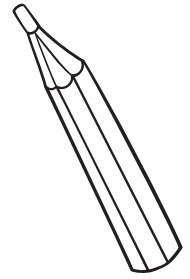

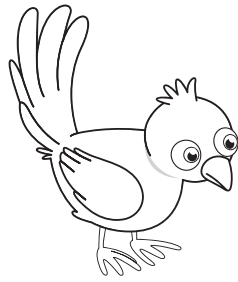

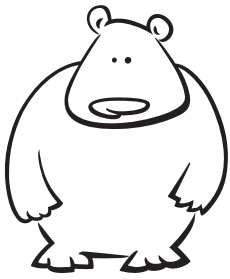

38.

Uvijek sam za igru,
a svi me uvijek tuku,
udaraju nogom
ili bacaju iz ruku.

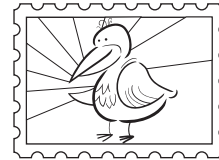

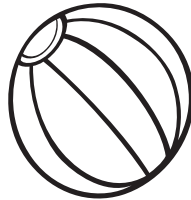

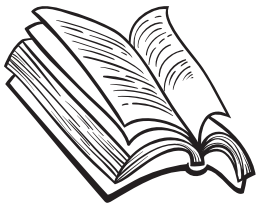

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

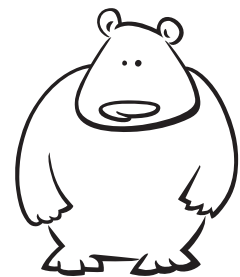

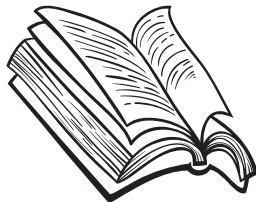

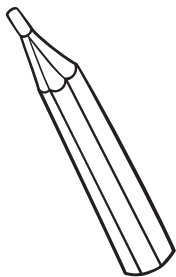

39.

Putuje preko cijelog svijeta,
a uvijek je stisnuta u kutu,
prati poruke, misli i želje,
i srdačne pozdrave na svom putu.

40.

Može biti prašnjava na ormaru,
na stolu, u torbi, deblja ili tanja.
A ako ju otvorite i pogledate unutra,
puna je avantura, priča i znanja.

41.

Za sunčanog dana, stoji u kutu,
sklopljen, napušten, nekorisni,
ali kad vrijeme postane loše,
prijatelj svima postane prisni.

42.

Trbonja stari šumom brunda,
u krzno obučeno tijelo i glava,
cijeloga ljeta za medom traga,
a zimi ga nema - jer tada spava.

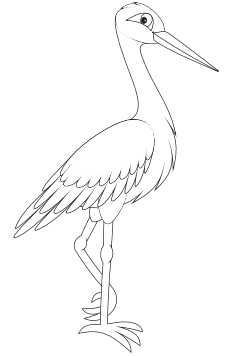

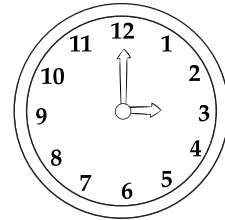

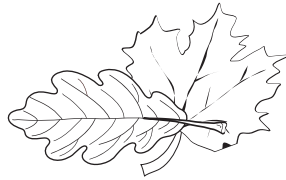

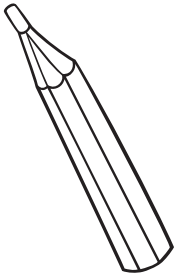

Zagonetke i bojanke za djecu © 2020 www.artrea.com.hr

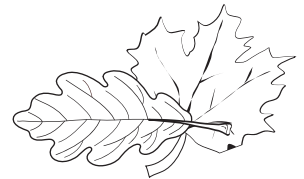

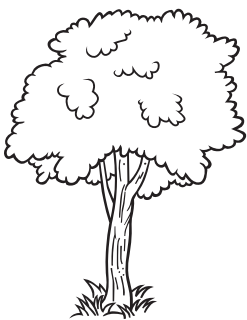

43.

Uz pomoć ruke koja ju vodi
rado ona papirom hodi,
i kud prođe tu trag niče,
ponekad ostavi i cijele priče.

44.

Mali sivko pod krovom živi,
skakuće, leti, s drveta viri.
I cijelo vrijeme ide živ, živ,
Tko to ne zna, sam je kriv.

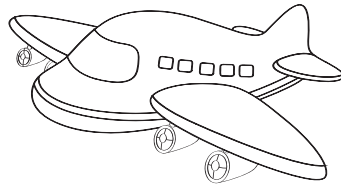

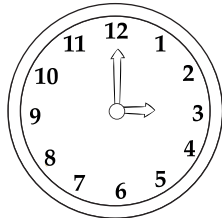

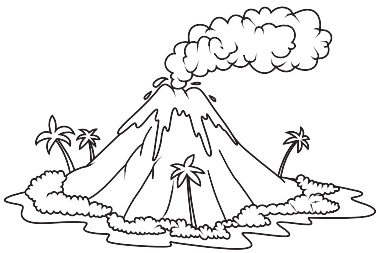

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

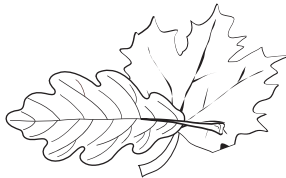

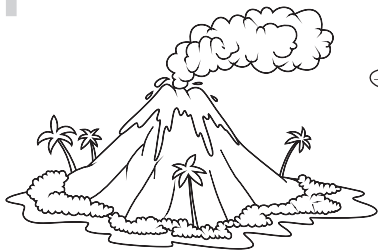

45.

U zelenom odijelu po bari hodi,
skakuće, pliva, po obali se gegu,
kad muhu ulovi nema veće sreće,
pjevati počne rega-rega-rega.

46.

Šeširić izraste nakon kiše,
na nožici stoji, poglede mami.
Znalcima je prava poslastica,
ali nije svaka dobra u hrani.

47.

Netko ga stavlja na zid,
netko ga na ruku meće,
ispravan je kada ide,
a ipak se nikud ne kreće.

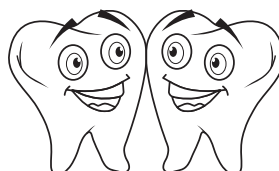

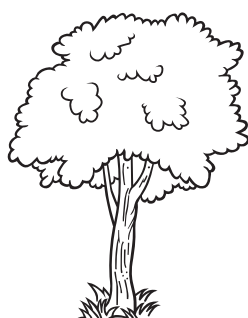

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

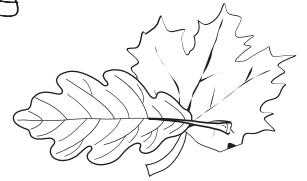

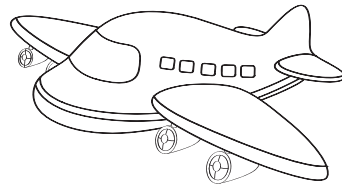

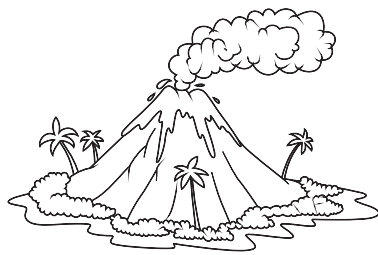

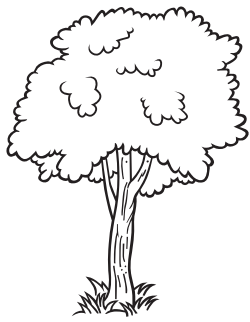

48.

Ja opasno grizem
kad mi kožu svlače,
a tko me zareže,
taj odmah zaplače.

49.

U ljeto na drvetu zeleni i svježi,
vise visoko na granama tamo,
u jesen posmeđe i požute,
padnu na cestu i šušte samo.

50.

To je jedna posebna planina,
i onda kad spava je tišina.
Ali kad se iz sna probudi,
Riče i pljuje, i boje je se ljudi!

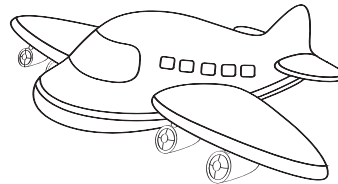

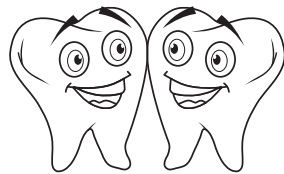

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

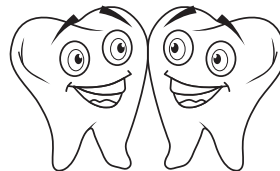

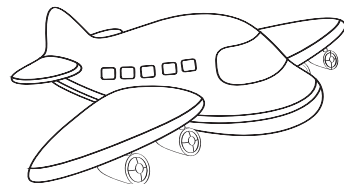

51.

Duge noge, dugi kljun,
u proljeće dođe, u jesen seli,
a posebna je još po nečem -
da djecu nosi, u narodu se veli.

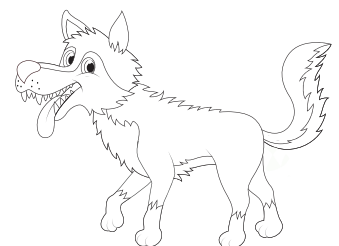

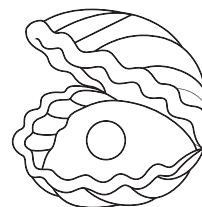

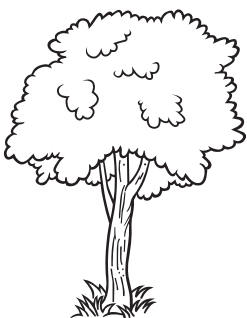

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

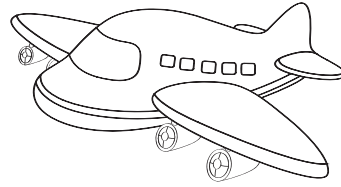

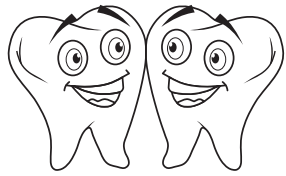

52.

Velik sam i jako strašan,
tako veli priča svaka,
svi se mojih zubi boje,
kozličići, praščići, pa i baka.

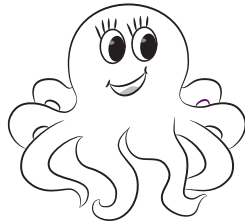

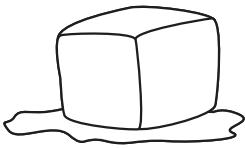

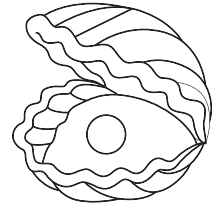

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

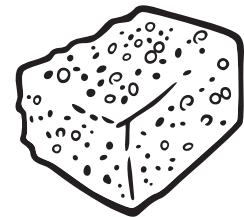

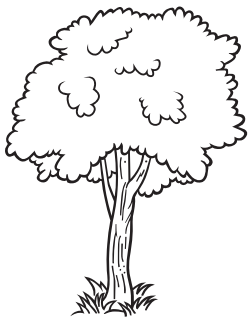

53.

Visoko gore, nebom leti,
ima krila, a ptica nije.
Ni vodu ni hranu ne traži,
jer samo benzin pije.

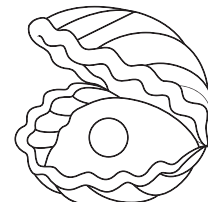

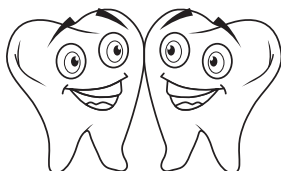

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

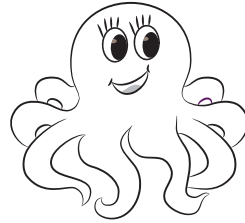

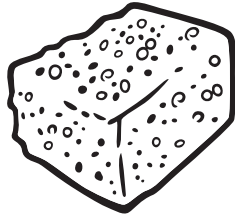

54.

U snijegu stoji, nije mu zima,
umjesto nosa mrkvu ima.
Kad sunce dođe i oblaci odu,
ostat će voda i mrkva na podu.

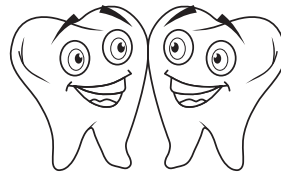

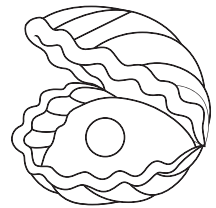

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

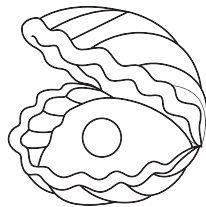

55.

Puna je rupa, velikih, malih,
a ipak puno vode pije.

Nema ni usta niti glave,
ne kreće se i živa nije.

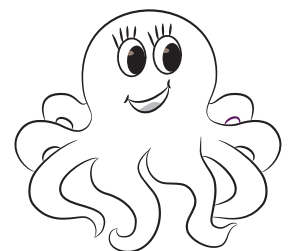

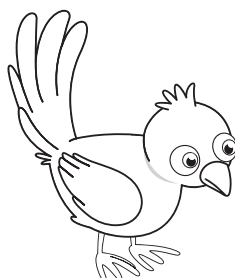

Zagonetke i bojanka za djecu © 2020 www.artrea.com.hr

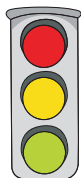

56.

Osam nogu i jedna glava,
a nema ni trup niti vrat.
Ne hoda, ne leti, nego pliva,
u moru živi taj čudni svat.
